CPCO of Georgia IS HERE FOR YOU!!!

CPCO's 2011 Fall CONFERENCE

In Perry

★ From CPCO and the Industry, we would like to extend our sincere gratitude to all of you who participated in the 13th Annual Perry Fall Conference.

Thank you to Commissioner Black for attending the conference and sharing his ideas for the future of the Industry. As mentioned in his speech "Old Friends are the Best of Friends", we at CPCO hope to work with the Department for the betterment of the Industry for many years to come.

It is only with the knowledge and expertise of Industry professionals that we are able to maintain the highest level of education in various areas of business for the pest control professionals. This includes, but not limited to, new and innovative pest control products and equipment, legal issues, insurance, identification and treatment methods of pests and protecting your customers and yourselves.

We also want to thank the volunteers who assisted the CPCO staff during the conference. The conference requires dedicated people, to perform specific duties in various areas and the willingness to step in, wherever and whenever needed, to insure the conference runs as smoothly as possible. Without the assistance of these people, it couldn't be done.

WE AT CPCO ARE A PHONE CALL AWAY AND HERE TO ASSIST YOU! ★

"I promise there will be change. There are a few things that need..."

- 1. New Leadership Strategies by Training*
- 2. Preparation: Got to have a Plan*
- 3. Service: We have about 9 Million plus Here in Georgia*
- 4. Commitment: Building a Team. Everyone is to be hold accountable..."*

THANK YOU!

from CPCO
