Update concerning the use of ISOPTHOR Termite Bait in Advance Termite Bait Stations

Ensystex announces that they have reached agreement with the Georgia Department of Agriculture concerning the use of Isopthor Termite Bait in the Advance Termite Bait Station.

Isopthor Termite Bait can now be used in Advance Termite Bait Stations in accordance with the Isopthor Termite Bait label directions.

Advance Termite Bait Stations and Isopthor Termite Bait Stations are both now available for purchase from Ensystex.
